

Procurement Digital Transformation

STRATEGIC PRIORITY

Digitizing Procurement and Partnerships

PROGRAMS

USE CASES

Intelligent Sourcing

Kraljic Digital Twin

Fully Automated Sourcing

Intelligent Market Analysis

Capabilities Sourcing for Procurement

Real Time Supplier ID & Rationalization

Augmented Complex Category Sourcing

Real Time Integrated Capacity & Inventory Alignment

Ethical & Sustainable Sourcing
Ethical & Sustainable Sourcing

Automated Price Discovery & Negotiation

Generative Supplier Relationship Management

Intelligent Scheduling

Continuous Business Review (CBR)

Comprehensive Tier N Supplier Visibility, Monitor & Remedy

Intelligent Supplier Lifecycle

Smart Financing

Supplier Orchestration

Cognitive Risk & Quality Management

Continuous Risk Management & Remedy

Real Time and Predictive Digital Dashboard & Metrics

Universal Trade Automation

Proactive Spend Management & Risk Analysis

Iterative Innovation

Procurement Innovation & Crowd Sourcing

Digital Product Innovation

Digital ECNs

Transparent 'lite' analytics cloud

Intelligent Cost Optimization

Automated Product Cost Optimization

Real Time Invoice Match & Discounts

Intelligent Operational Efficiency Capture

Workflow development and automation

Automated Non Product Cost Optimization

Touchless Procure to Pay

Intelligent Rebate & Discount Capture

Intelligent Contracts

Automated Enabled Source to Contract Signature

Automated Enabled Call Offs to SLA and Contract

Continuous Contract Compliance & Analysis

Predictive Contracts

Intelligent Procurement & Supply Planning

Intelligent Inventory Planning & Routing

Digital Ecosystem VMI

Digital Procurement Assistant

Multi-Enterprise Supply Network

Procurement Digital Transformation Roadmap
