Procurement Digital Transformation
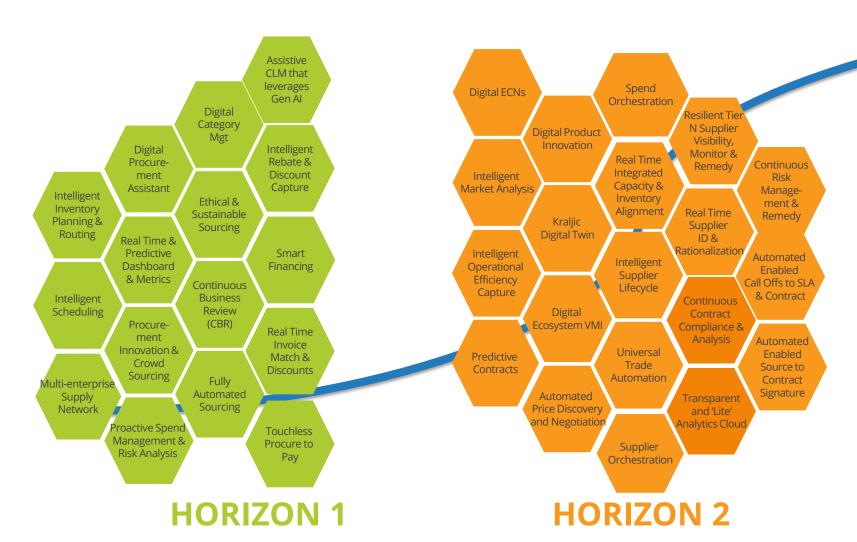

Strategic Priorities	Digitizing Procurement and Partnerships			
Programs	**Use Cases**			
Intelligent Sourcing	Kraljic Digital Twin	Fully Automated Sourcing	Intelligent Market Analysis	Automated Price Discovery & Negotiation
	Digital Category Management	Augmented Complex Category Sourcing	Real Time Integrated Capacity & Inventory Alignment	Ethical & Sustainable Sourcing
Generative Supplier Relationship Management	Intelligent Scheduling	Continuous Business Review (CBR)	Resilient Tier N Visibility, Monitor & Remedy	Intelligent Supplier Lifecycle
	Smart Financing	Supplier Orchestration	Capabilities Sourcing for Procurement	Real Time Supplier ID and Rationalization
Cognitive Risk & Quality Management	Continuous Risk Management & Remedy	Real Time and Predictive Digital Dashboard & Metrics	Universal Trade Automation	Proactive Spend Management & Risk Analysis
Iterative Innovation	Procurement Innovation & Crowd Sourcing	Digital Product Innovation	Digital ECNs	Transparent and 'lite' analytics cloud
	Predictive Pricing	Spend Orchestration	Workflow development and automation	
Intelligent Cost Optimization	Automated Product Cost Optimization	Real Time Invoice Match & Discounts	Intelligent Operational Efficiency Capture	
	Automated Non Product Cost Optimization	Touchless Procure to Pay	Intelligent Rebate & Discount Capture	
Intelligent Contracts	Automated Enabled Source to Contract Signature	Automated Enabled Call Offs to SLA and Contract	Continuous Contract Compliance & Analysis	Predictive Contracts
	Assistive CLM that leverages Gen AI			
Intelligent Procurement & Supply Planning	Intelligent Inventory Planning & Routing	Digital Ecosystem VMI	Digital Procurement Assistant	Multi-Enterprise Supply Network

IDC

Procurement Digital Transformation

HORIZON 1

- Assistive CLM that leverages Gen AI
- Digital Category Mgt
- Intelligent Rebate & Discount Capture
- Digital Procurement Assistant
- Ethical & Sustainable Sourcing
- Intelligent Inventory Planning & Routing
- Real Time & Predictive Dashboard & Metrics
- Smart Financing
- Intelligent Scheduling
- Continuous Business Review (CBR)
- Procurement Innovation & Crowd Sourcing
- Real Time Invoice Match & Discounts
- Multi-enterprise Supply Network
- Fully Automated Sourcing
- Proactive Spend Management & Risk Analysis
- Touchless Procure to Pay

HORIZON 2

- Digital ECNs
- Spend Orchestration
- Resilient Tier N Supplier Visibility, Monitor & Remedy
- Digital Product Innovation
- Real Time Integrated Capacity & Inventory Alignment
- Continuous Risk Management & Remedy
- Intelligent Market Analysis
- Kraljic Digital Twin
- Real Time Supplier ID & Rationalization
- Intelligent Operational Efficiency Capture
- Intelligent Supplier Lifecycle
- Automated Enabled Call Offs to SLA & Contract
- Digital Ecosystem VMI
- Continuous Contract Compliance & Analysis
- Predictive Contracts
- Universal Trade Automation
- Automated Enabled Source to Contract Signature
- Automated Price Discovery and Negotiation
- Transparent and 'Lite' Analytics Cloud
- Supplier Orchestration

HORIZON 3

- Augmented Complex Category Sourcing
- Capabilities Sourcing for Procurement
- Automated Non-Product Cost Optimization
- Automated Product Cost Optimization
- Workflow Development & Augmentation
- Predictive Pricing
